

COACHES NEWSLETTER JANUARY 2012.

Hello and welcome to the new 2012 soccer season. I hope that you are all rested and ready to start the season in a positive and enthusiastic manner.

The February/March coaching courses being conducted at Lynwood Park are now open for bookings. This is your opportunity to obtain a coaching qualification before the actual competition commences on 24th March.

Course bookings are essential so that numbers can be monitored to conform with F.F.A. and F.N.S.W. requirements.

Dates have hopefully allocated so as not to interfere with any trial games that you or your club have organised. With the summer weather, daylight saving time and the season about to start, this is perhaps the best time to attend a coaching course and prepare yourself with more coaching knowledge. During the season some courses will be conducted, but, I realise that during the season coaches are committed to their teams and may not have the time available to attend courses.

FEBRUARY/MARCH Coaching Courses:

JUNIOR LICENCE: 4th and 5th February.

GRASSROOTS: 8th February.

SENIOR LICENCE: 11th, 18th and 25th February.

YOUTH LICENCE: 3rd, 10th and 17th March.

GOALKEEPERS: 10th March.
