GENERAL MEETINGS INFORMATION

DATE: 11 July 2011 TIME: 7PM FOR 7.30PM START

LOCATION: Birrawa Reserve Club House

Sponsor of the Week

Roy DeGiorgio Electrical Services offers all electrical services and specializing in all aspects of renovation works, from new consumers mains, metering relocations, rewiring, switchboard upgrades, phone and data wiring, and future proof wiring.

They also have contacts that can do alarms and TV antennas

Our Website

Check out our website. Go to www.mtannanmustangs.com.au where you can find the latest edition of the Newsletter (under the "News" tab). You will also find the week's draw under the "Competition" tab.

Wet weather and ground closures

Please keep an eye on the website for ground closures.

Canteen/BBQ Helpers

Thank you to all the parents that are helping out in the canteen or on the BBQ. Your time is greatly appreciated by the Club. The canteen and BBQ would not be able to run without your help. Thank you! If you have been requested by your coach/manager to assist in the canteen/BBQ, we ask that all helpers please turn up on time. This ensures that all volunteers don't miss out on watching their son/daughter play their game.

U8 White

MTA 8 vs BUR 2

The boys were all eager to get out on the field this week after having a washed out game last weekend.

This week we were up against burragorang white, unfortunately we were a player short as Hayden wasn't well this week. All the boys made up for that and played a great game of soccer, with lots of excellent team work, passing and some great defense, with the final score ending up 8-2. This week our Mac donalds award went to Aidan, who is a great little defender stopping many balls getting down to our goal keeper, our man of the match award and trophy went to Connor, who played very well and scored his first goal of the year..! A special mention to Chris and George who both volunteered to fill in for Harrington park who were down a player in the game after ours, great sportsmanship..

Congratulations to all the boys this week, you all just keep getting better and better each week, its always great to watch you all play..!!

U8 Red V Narellan Rangers

WOW WOW WOW...again another great game kids!!!

Narellan didn't hand the game to you on a platter, they certainly made you work for your win and you showed them how it is done!

You did well with passing that ball around to play as a team. Each goal was scored off great TEAM work. As coach says...there's no "I" in the TEAM!

Goals this week were scored by Nicholas, Liam and Manoj. Nicholas was on fire with 4 goals with great foot work ! Liam had another great first half in goals and then came out in the second half and scored a goal. Manoj also scored a goal by always being there and showing the opposition he means business.

Darcey was not only great in defence but has proven she can certainly attack. She has no fear when challenging the boys. Aryon played the park well, especially with some great kicks to put their team up front. Christopher never gives up, always putting in a big effort. Not many balls get passed Christopher. Zac A. put himself in position to take shots on goal and showed determination. Campbell showed great defence and put some great kicks over the oppositions heads! Zachariah showed some fancy footwork and ran rings around Narellan.

Each week it is very difficult to choose who gets the awards as you all put in a great effort. Most improved award went to Campbell and Player of the match went to Manoj.

Well done U8 Reds! We are proud of you.

MTA Mens Division 9 vs Gunners 2-0 Win!

Last Sunday's game saw our guys start with the enthusiasm that we were lacking from the previous week. Quite a few of the guys like Kev, Greg, Abba, Dave, Wally & Noggin have all been carrying injuries for a few weeks but all were keen to play knowing that we needed the win against Gunners who can be a very physical side.

The first half saw us dominate play for the first 30 minutes with everyone moving into space, running the sides & clever passing to shut down any attack that came our way. This paid off with some great lead up work starting from the backs, into the halves crossing the ball into The Green Hornet who, with some help from Freckles put the ball into the back of the net. A fantastic save by Wally had us go into the break 1-0 up & full of confidence.

The second half commenced in the same way as the first with numerous opportunities had on goal by our guys. Mouse (Craig as he is now known) made a great run down the left, supporting all the way & placing a shot on goal only to be denied by a desperate save made by the Gunners keeper. Marky Mark seemed to enjoy his time playing in the centre with Dave having one of his best games since joining our side & literally carving through the Gunners defence at will. All of which paid off with Abba being on the receiving end of some great lead up work to slot away our second goal for the game.

Unfortunately the game was cut short due to a serious injury to a Gunners player with approximately 10 minutes to go, but we had done enough to secure the win.

Keggie.

Under 10/2

Mustangs 0

Ingleburn 5

The mighty Mustangs tried as hard as they could today. In the first half we were keeping possession, looking for each other and playing well positionally. At times some of the passing was as good as we have seen this year. Paul and Owain were in fine form and looking sharp. Christian was given a couple of clear chances which either went wide or were saved by the keeper. When Ingleburn attacked we were easily able to hold them out. Lachlan was doing well in goal. Finally one super shot saw us behind 0-1.

The second half started off well and we were once again looking like scoring when swarming defence kept us out. Then the tide started to turn, even though Jack and Alan fearlessly tried to keep us in the game. But fatigue started to show as we were all playing longer minutes than usual. We started to find fresh Ingleburn legs were beating us to the ball. This told on the scoreboard as the goals mounted up in the final 10 minutes.

The supporters were proud of the kids today as they certainly gave it their best. Nigel, Frank and Matt have done well in improving the skill levels of the team. Also great is their constant encouragement of the kids. There were any number of examples of this today. When Elizabeth stops 2 attackers all on her own and smiles. When Bailey charges across the field, as he always does, to give everything he's got. When Tomas is rampaging in the goal square and lining up for a crack at goal. When the whole team groups around a devastated goalie after 4 goals have gone in, to cheer him up and to tell him it's ok. There was a lot to like about today.

U7 Purple vs Camden Falcons Purple

Today we hosted Camden Falcons and within a few minutes of play, we knew that if we were to see some goals being scored by the Mustangs then they would have to work very hard for them as the Falcons were pouncing on us at every opportunity.

The Mustangs were kept busy defending for the first 5 minutes of the game, but with great team work and patience paying off, Dylan offloaded a long ball down the sideline to Cameron who with great ball control then slotted home goal No.1. Cam's 2nd goal came from pretty well much the same as the first with Dylan once again passing a nice short pass to Cam who again found the back of the net. Cameron was on fire today as he bagged himself another 2 great goals throughout the game.

The goals then started to come thick and fast with Riley who continually puts in a rock hard performance each week, saw his solid tackling on display and take the ball with him on one of his many raiding runs down the sideline to bag himself a well deserved goal. Dylan who is a great reader of the game and who is always close by for the action, scored a few great goals himself. Tahlee was relentless in her tacking and very ably putting through a few long and short balls to her team mates to get them in great field position for goal scoring opportunities.

If we had such a trophy for 'Goal of the day' then it would have been awarded to Noah for chasing down a Falcons shot on goal and with the ball being just 3 metres from our goal line, Noah got himself into a position to smash the ball back down field and with a couple of bounces it found it's way into the back of the net. This great display of skill even drew applause from the Falcons supporters and coach.

Well played Purple team, yep I know I sound like a broken down record because you all played outstanding but the trophy for 'Player of the Day' was awarded to Cameron McDonald who not only got his PB today but was awarded the trophy for recognition of an outstanding game and continual improvement week in week out.

You little Mustangs are such an exceptional team and bunch of kids, and one that we are so lucky to be so involved with.

Goal Scorers: Cameron McDonald (4), Dylan Scanlon (3), Riley Mitchell (1), Noah Needham (1).

Kellie.

U6 Green

After a bumpy start to the game the Greens really picked up their act in the second half again playing as a team and passing the ball to each other. All the players have improved so much since the start of the season. I t was a really exciting game to watch. I can't wait for this Saturday's game . Hopefully the rain will stop so all the games can be played.

A/A Ladies vs St.Mary's Gold

Lost 1-0

After last week's loss and some soul searching during the week at training, we came together for this important game fielding only 9 players. With many of the team being not available, the ladies much to their credit played a very high tempo game and with having so many players missing you would think we would just be lucky to defend out the game but we didn't, we took the game to St.Mary's and turned in a great display. We even created some great chances to score only to have them saved by their keeper or the shots just missing by a whisker.

Full credit to all the Ladies as they never gave up. Our Lou in goals really kept us in the game with some unbelievable saves which really lifted the side.

St.Mary's with 13 players and subbing regularly, tried everything to break us but we held together and kept playing some really good soccer and really troubled them with our passing and teamwork we covered and worked hard out there for each other.

I must say I was proud of each and everyone of the ladies today as they showed true grit and determination. Credit to each and everyone of you on today's performance. We may have lost the match but with efforts like that we won a lot of respect.

By one very proud Coach.

Mt Annan U6 YELLOW v Camden Falcons U6 GREEN (Away Game)

WOW what a brilliant game by the U6 Yellow team on Saturday. We were down 2 players so all 4 had to play the full game and they all did such a wonderful job. The opposition seemed quite young so felt a bit sad for them and towards the end I was hoping they'd get a few goals in but it was definitely our day.

Young Cooper was on fire and scored 9 goals – one goal he more or less did the boundary all the way around until he finally scored. It was very funny!!

So of course he was our "Player of the Day" and received the trophy which is the second time in a row for him (check out the photo – he was so chuffed).

In the end it was 13 – 0 – with 9 goals going to Cooper, 2 to Josh, 1 to Felicity and 1 to Joel – what a super effort guys. Our 3, 2, 1 went too – Cooper, Joel and Felicity.

Brilliant effort guys!!
