GENERAL MEETINGS INFORMATION

DATE: 11 July 2011 TIME: 7PM FOR 7.30PM START

LOCATION: Birrawa Reserve Club House

Sponsor of the Week

R.M.E. Plumbing is located in Mt Annan and has over 25 years experience.

They service drain clearing, hot water repairs, installation, burst pipes, dripping taps, leaks just to name a few.

R.M.E. Plumbing offers after hours emergency service.

For same day and reliable service contact Rob. No job too big or small

Our Website

Check out our website. Go to www.mtannanmustangs.com.au where you can find the latest edition of the Newsletter (under the "News" tab) You will also find the week's draw under the "Competition" tab.

Canteen/BBQ

If you have been requested by your coach/manager to assist in the canteen/BBQ, we ask that all helpers please turn up and on time. This ensures that all volunteers don't miss out on watching their son/daughter play their game.

Unfortunately at Wandarrah on the weekend, we were short committee members due to having the need to open 2 grounds. **Thank you** to all the parents that are helping out in the canteen or on the BBQ. Your time is greatly appreciated by the Club. The canteen and BBQ would not be able to run without your help. Thank you! In particular we would like to say a big thank you to Bob Crispin who saw that we were in dire need of help on Saturday, stayed behind to help out on the BBQ and to clean/pack up, without being requested to.

Trivia night

All tables have now been booked. If you have booked a table, please ensure you have paid in full by **6 July 2011**. If your table has not been paid for by that date, unfortunately we will have no option other than to pass that table onto our reserve list. We hope you don't miss out. It will be a great night!

Annual City V Country Match at Lynwood Park

When: Saturday 9 July 2011

Ladies game kick off 6..pm Men's game kick off 8.00pm

Come along and support your local players.

Mt Annan Mustangs U6 YELLOW vs Mt Annan Mustangs U6 GOLD

Saturday 2 July 2011

Sensational game on Saturday from our U6 Yellow team. The weather was beautiful and it was a joy to be out there watching the kids play.

The kids are running around a lot but still struggling with the concept to kick the ball and then chase it – which is frustrating from the parents perspective but at the same time very funny as we yell from the sidelines to chase the ball.

We won 4 – 2 (with one of the opposition points coming from an own goal). Our goal kickers for the day were 2 to Cooper and 2 to Joel with Joel also receiving the trophy for an outstanding game. Our 3, 2, 1 went to Cooper, Joel and Matthew who all played a wonderful game.

A special mention to Matthew and Harry who are our youngest players at 4 years of age still but the improvement in both of these players has been excellent with both of them really enjoying the game lately and it shows by how much more they are involved and running around the field.

Congratulations and brilliant effort to all players!

Jason Byrne and Paul Hutchinson – Coaches

Debbie Corlet – Manager

Under 10/2

Mustangs 0

Falcons 6

Another beautiful sunny winter's day greeted our Mighty Mustangs as they lined up against the competition leaders, the Falcons. We knew that the standard of the opposition would be high but were quietly confident after training well the previous Thursday.

The first half was an even affair with neither side able to score for a long period. Olivia, Thomas and Elizabeth were making it hard for the Falcons to click into gear with some tidy defence. Olivia, in particular was having an impressive game, always on the ball. Our counter attack was good with Lachlan and Paul able to take advantage of a couple of good through balls. Unfortunately, after never seeming to be in too much trouble, a wayward goal kick gave the Falcons the best chance of the half and it was 0-1 at half time.

The second half was a different story as we struggled to get our team work going. As the Falcons lifted their intensity, we started to show signs of tiredness. The crispness of our passes was not as evident as it had been. We started to struggle to match the speed of the opposition forwards. All of this was bad news for Lachlan in goals who started to face wave after wave of attack. To his credit he showed great determination to make some terrific saves and even stopped a penalty. But it only held up the inevitable as so many chances had to result in goals.

The Falcons were very good today, but after a week off for holidays we will bounce back, I'm sure.

U8 Red v Tahmoor

The sun was shining on a glorious Saturday morning, the bags were packed and passports in hand as we crossed international borders to Tahmoor. After a glorious drive to the 'real' country, the nerves started to set in – yes, as a coach I still get nervous watching games and I know it's all about fun, but as a coach you can't help wanting the best for your kids. Game day is when I take a good look at myself, was the training session enough during the week? Did the kids walk away learning something new? I can only measure success by seeing them play on a Saturday morning.

The game on Saturday was one off, if not, the finest displays of football by the U/8 red Mustangs, in the words of the great Martin Tyler "my word, absolutely brilliant!"..... The game started at an excellent pace, we held possession, we moved the ball from one side of the field to the other – Zachariah McAlpine-Beattle took hold of the midfield with Nicholas Hohberg, both boys played their little hearts out, a wonderful display of control, passing and vision saw some quick goals from the Mustangs.

Standing there on the sideline hearing the parents cheer on their kids, encouraging the game I believe in (which is passing and possession), saw the many weeks of training and development turn into magic on the park. Aryon, Darcey, Campbell and Liam had an exceptional game in defence, they moved the ball around, kept the home team scoreless and chasing shadows, which eventually tired out the opposition. This is when Manoj waived his magic wand with Zachary A and commenced to taunt the opposition defence, a wonderful display of control, passing and possession saw the boys put pressure on the opposition – we eventually cracked Tahmoor and if it wasn't for their keeper, the game would've been a complete whitewash..... although Chris wasn't present on the day, Christopher Malone was there in spirit, we did miss him out on the park but also hope he enjoyed his time away with the family.

Thank you to all the parents, who encourage their kids development, who believe in what I do week in week out, who stand by me and see the finish product on Saturday morning. Thank you for the things you do away from training to ensure the kids stay focused, along with that Tash and I appreciate the help with set up, washing jerseys, bringing oranges to the game and much more. To my team, my buddies, and my little warriors I am very proud of your achievements to date. What all of you did on Saturday was amazing and if we continue playing like that, we will continue to have lots of fun on Saturday... well done, give yourselves a BIG pat on the back!

Just a quick highlight – we have scored 77 goals and conceded 12 up until last weekend, that is an awesome achievement.

Congratulations to Zachary Anastovski and Zachariah McAlpine-Beattle who received team awards this week.

Coach
